

Welcome to the month of May!

The month of May is known for its special dedication to the blessed Virgin Mary, the Mother of God. Throughout this month we offer our prayers and devotions to Mother Mary as we pray the Hail Mary each day during morning prayers.

The month also begins with the celebration of Catholic Education Week (April 30-May 5). Pope Francis CES will be celebrating Catholic Education Week and the tradition of providing welcoming communities where all students are encouraged to realize their full potential as unique individuals created in the image of God. Please see below for the daily activities which will be taking place this week in our school. We look forward to a memorable Catholic Education Week 2023 together.

So they all ate and were filled, and they took up twelve baskets full of the fragments that remained. Now those who had eaten were about five thousand men, besides women and children.
